"A Better Education on a Better Foundation"

At Athens Bible School (ABS), it is our honor to serve the educational needs of the families in our community. Our admission process begins with a family conference on campus with the President or Assistant Principal. This may be scheduled by calling the ABS office. This conference includes a short walking tour which will acquaint the family with ABS and its facilities. We ask that you please bring a copy of the student's current report card and a copy of the student's latest standardized test scores.

After the conference the parents should pick up or download the appropriate forms (listed below) to complete and return to the office as soon as possible. There is a registration fee of \$100.00 that must be paid when the application is submitted. This fee is non-refundable unless the student is denied admission by the school.

1. **Application for Admission:** Requests general information about the family and previous schools. On the back of this form the student must write a letter explaining why he/she wants to attend Athens Bible School. For students in elementary grades one through five, parents must write the letter.
2. **Transcript Release Request:** Authorizes the previous school to release information to ABS.
3. **Student and Family Information Sheet:** Requests pertinent information about your student and family, as well as names of persons who have permission to pick up your student from school.
4. **Tuition Agreement/Payment Plan:** Contains tuition and fee information and provides payment plan options.
5. **Free and Reduced Lunch Application:** Available to any family who wishes to apply.
6. **Notification Card for Emergency or Illness:** This form must be on file in the nurse's office in case of illness or accident.

We also ask that students seeking admission to ABS provide a record of good behavior and a desire to learn both academics and the Bible. Although we do not have a special education teacher at this time to provide special education services, we do admit children with a wide range of abilities. ABS does not discriminate against any student because of race, color, sex, handicap, or national origin. A student serving any disciplinary action at another school cannot be admitted to ABS until that action has been completed. A student may be admitted on probation at the discretion of the President.
